DESIGNED & MADE IN BRITAIN

READY TO WEAVE Custom carpet with a choice of three colour palettes

A custom Axminster design solution perfect for any project where time and costs are limited.

With Ready to Weave carpets, we focus on creating a unique custom-designed carpet just for you, utilising colours from within one of our stock yarn colour palettes, enabling us to offer you a faster delivery and a lower price.

Choose Ready to Weave if you want:

CUSTOM DESIGN - This can be your own design, one of our Ready to Weave designs, an adaptation or re-colour of an existing design, a logo, a pattern or feature - or let us create a design just for you.

OUTSTANDING VALUE – for just a little more than a Ready to Go carpet, you can have custom-designed carpet.

SUPERFAST TURNAROUND – made in 28 days from design approval and receipt of order - subject to quantity.

COLOUR COMBINATIONS – Select any colour combination from within any one of our three stock colour palettes for a custom carpet with colours that harmonise with your interior design.

WOOL-RICH AND DURABLE – All of our Ready to Weave carpets are made from 80% pure new wool and 20% nylon, ensuring the perfect combination of luxury and durability.

WIDTH AND QUANTITY – Ready to Weave carpets are all made-to-order and are available as broadloom carpets at 3.66m (12ft) with a minimum quantity of just 100sqm.

LAYOUT AND SCALE – With the option for large scale design using our electronic jacquard, a design can flow across two or more carpet widths; or merge multiple designs such as borders or feature motif into one seamless weave. This may incur an additional charge.

ANY QUALITY – You have a choice of contract qualities to suit your requirements:

- 7-row axminster: Medium Contract
- 8-row axminster: Heavy Contract
- 9-row axminster: Heavy Contract
- 10-row axminster: Very Heavy Contract

We will carefully understand your unique needs and ensure that you select the perfect quality.

CAD PRINT AND HAND TRIAL – for assurance that the design is right for you, we provide CAD prints, provide a selection of roomviews so you can appreciate the scale of your design, and we weave a hand trial. This shows your finished design and is woven in yarns of your selected colours.

IMO APPROVED – We can offer IMO certified Ready to Weave carpet, upon request prior to manufacture.

ADVICE AND SUPPORT – Our Business Area Managers are available to provide advice and expertise so that you enjoy the perfect carpet for the needs of your project.

Call us on 01722 746000 or email us at sales@wiltoncarpets.com and let us help create a beautiful and long-lasting carpet for your space.

BESPOKE

For a design of your own making, or to commission a custom pattern to your brief, our Bespoke carpet service brings beautiful British-made wool-rich woven carpet in any quality.

Bespoke is the ultimate in woven wool carpet, a process that involves collaborating with our design team to turn your inspiration into a bespoke carpet that works to the exact layout and style of your project.

DESIGN

Our UK-based, experienced Design Team will work with you to create the perfect aesthetic for your interior. From simply offering advice through to working with you to develop final design.

WOOL-RICH AND DURABLE

Made from 80% pure new wool and 20% nylon, all of our carpets provide the perfect combination of luxury and durability. You can be confident that your carpet will be hard-wearing and keep its looks for years to come.

COLOUR

Using British yarn, we offer an extensive choice of colours, or we can match any colour with our custom-dye service.

LAYOUT

Once a design is selected and colours chosen, we develop your unique design. We provide CAD prints of these ideas for your evaluation and approval. Your design ideas can be presented in a choice of roomviews to help you appreciate the scale of the design, and if you have architectural plans, we can flow in the carpet design to view in situ.

With our electronic jacquard, we can design to any layout and your selected design can flow across two or more carpet widths, into one seamless weave. We use careful planning to minimise seams and make installation easier.

HAND TRIAL

When the design and colour have been agreed, we weave a hand trial. This shows your finished design and is woven in yarns of your selected colours. Once approved, we weave the carpet to your specification.

WIDTH AND QUANTITY

Bespoke designs are all made-to-order and are available in a number of widths and depending upon your colour selection, there is no minimum order quantity.

ANY QUALITY:

Bespoke designs are available in a range of qualities to suit your requirements:

7-row axminster: Medium Contract
8-row axminster: Heavy Contract
9-row axminster: Heavy Contract
10-row axminster: Very Heavy Contract

We will carefully understand your unique needs and ensure that you select the perfect quality.

ADVICE AND SUPPORT

Our Business Area Managers are available to provide advice and expertise so that you enjoy the perfect carpet for the needs of your project.

Call us on 01722 746000 or email us at sales@wiltoncarpets.com and let us help create a unique and ideal carpet for your space.
