# ETERNITY

Ready to Go

# Eternity \_\_\_\_\_

The classic lines of a herringbone pattern are employed in Eternity, but distressed and layered with more abstract diffusions of colour. This range has historical notes but with a contemporary feel, making its name perfectly fitting.

As with all of our axminster carpets, Eternity is beautifully crafted; woven from wool-rich yarn which provides long-lifetime value due to its soil-resistance, durability and return-capacity of the wool.

Great resilience and cool, usable colours make this range perfect in high-traffic areas across the hospitality sector, in mansion blocks, and managed commercial spaces. Eternity is part of our Ready To Go Collection meaning your order can usually be manufactured within 14 working days.
